How to Access TexShare Databases

1. Go to the library's website: www.lagovista.lib.tx.us.

2. Click on "Your Account" in the center of the page.

3. Log-in to your account by entering your library member card number and phone number at the top right hand corner.

4. After you click on "Log-in," the system will let you know if you have logged-in correctly. (If you are unable to log-in, check to make sure the phone number you entered is the same number the library has on file, and/or that you've entered the correct library member card number.)

5. Scroll down to bottom of page and click on "TexShare Databases".

6. Click on the desired database, and begin your search.

7. When you're finished, log-out of your library account.
