## Introduction

April was a very productive month for the Police Department on a number of levels. Statistically, this is one of our more productive months on record with a very high number of Calls for Service and Traffic Stops.

Captain Chrane and I attended the Texas Police Chief's Association Annual Conference this month. This was a great opportunity to learn about emerging issues in law enforcement, network with other law enforcement executives, and meet with various vendors. Additionally, we learned a great deal of information about the association's accreditation program which our department plans on pursuing.

We were also busy this month in planning for and participating with Lago Fest. Our staff enjoyed the day and the great opportunity to interact with our citizens while maintaining safety at the event.
