Introduction

January was a great and productive month for the police department. At the end of the month, we welcomed a new Police Officer, Bryan Muzquiz, and two new Dispatchers, Kerry Semon and Amy Villegas to our team. We are committed to building a diverse and dynamic team to provide excellence in service to our citizens.

During this month, all of our officers received training on the new Taser ® devices and body cameras approved by the City Council. All of these devices are now in-service, working very well, and our officers appreciate the upgrade in technology that will allow them to do their jobs safer and with greater transparency.

Also during this month, Chief Boshears attended the Texas Police Chief's Leadership Series at the Bill Blackwood Law Enforcement Management Institute of Texas in Huntsville. Topics for the week included: active shooter response, physical fitness and wellness, legal update, accreditation program, employment law, conflict management, and strategic decision making. This was also a great opportunity to network with other police chiefs from across the state.
