## Introduction

Calls for Service have decreased this month from the previous month. We are encouraging our officers to increase traffic enforcement in key areas of the city and will be rolling out some new initiatives on this in the new year. Our response time remains consistent and within our expectations. We continue to work on improving our organizational efficiency, implementing new software solutions to improve scheduling and the management of our Field Training Program.

December was a very exciting month for the Police Department. We welcomed two new Police Officers, Jonathon Perez and Hope De La Rosa, as well as two new Dispatchers, Nicole Baker and Juan Celedon, to our team. While we still have some work to do with a few more vacant positions, we are in a much better place when it comes to personnel than we have been in recent months.

Our department enjoyed participating in a number of community events this month. We held our third monthly Coffee with Cops event which was well attended and I would like to thank those who attended and contributed gifts to Blue Santa during the event. I personally matched 20 donated gifts we received during our coffee event. We also participated in the Christmas Tree Lighting event where our officers had a great time interacting with members of our community. I was also honored to be asked to speak at the Tunnel to Towers home dedication event in our community which our department participated in with a police escort as well. Captain Chrane and I spent an afternoon helping to distribute toys with the Blue Santa organization and we plan on being more supportive and involved with these efforts in the future. Community is a focus of our department and I believe this month is a great example.
