Pickup Weekly Ridership Report

July 23, 2022

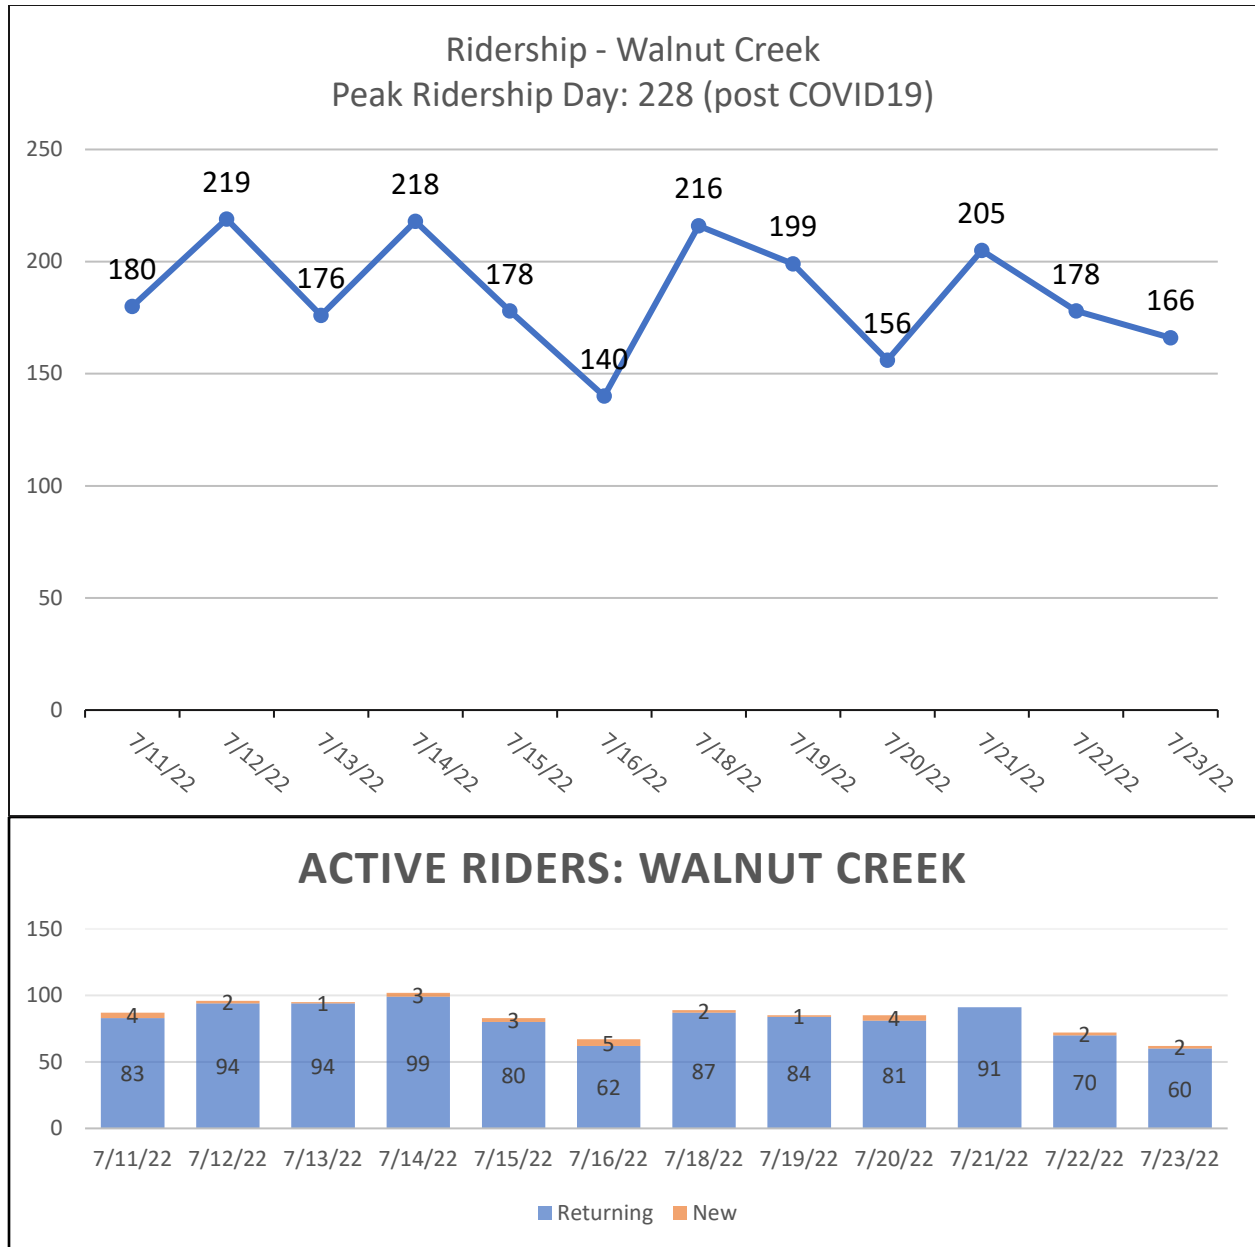

We are eagerly awaiting arrival of six new Pickup vehicles to add to our existing fleet. We recently added a vehicle in North Oak Hill to handle morning and afternoon peak demand and will be adding a vehicle in Pflugerville on August 1 to cover that zone's morning peak demand. After that addition, we have no additional vehicles to assist with lowering customer response times in our other zones.

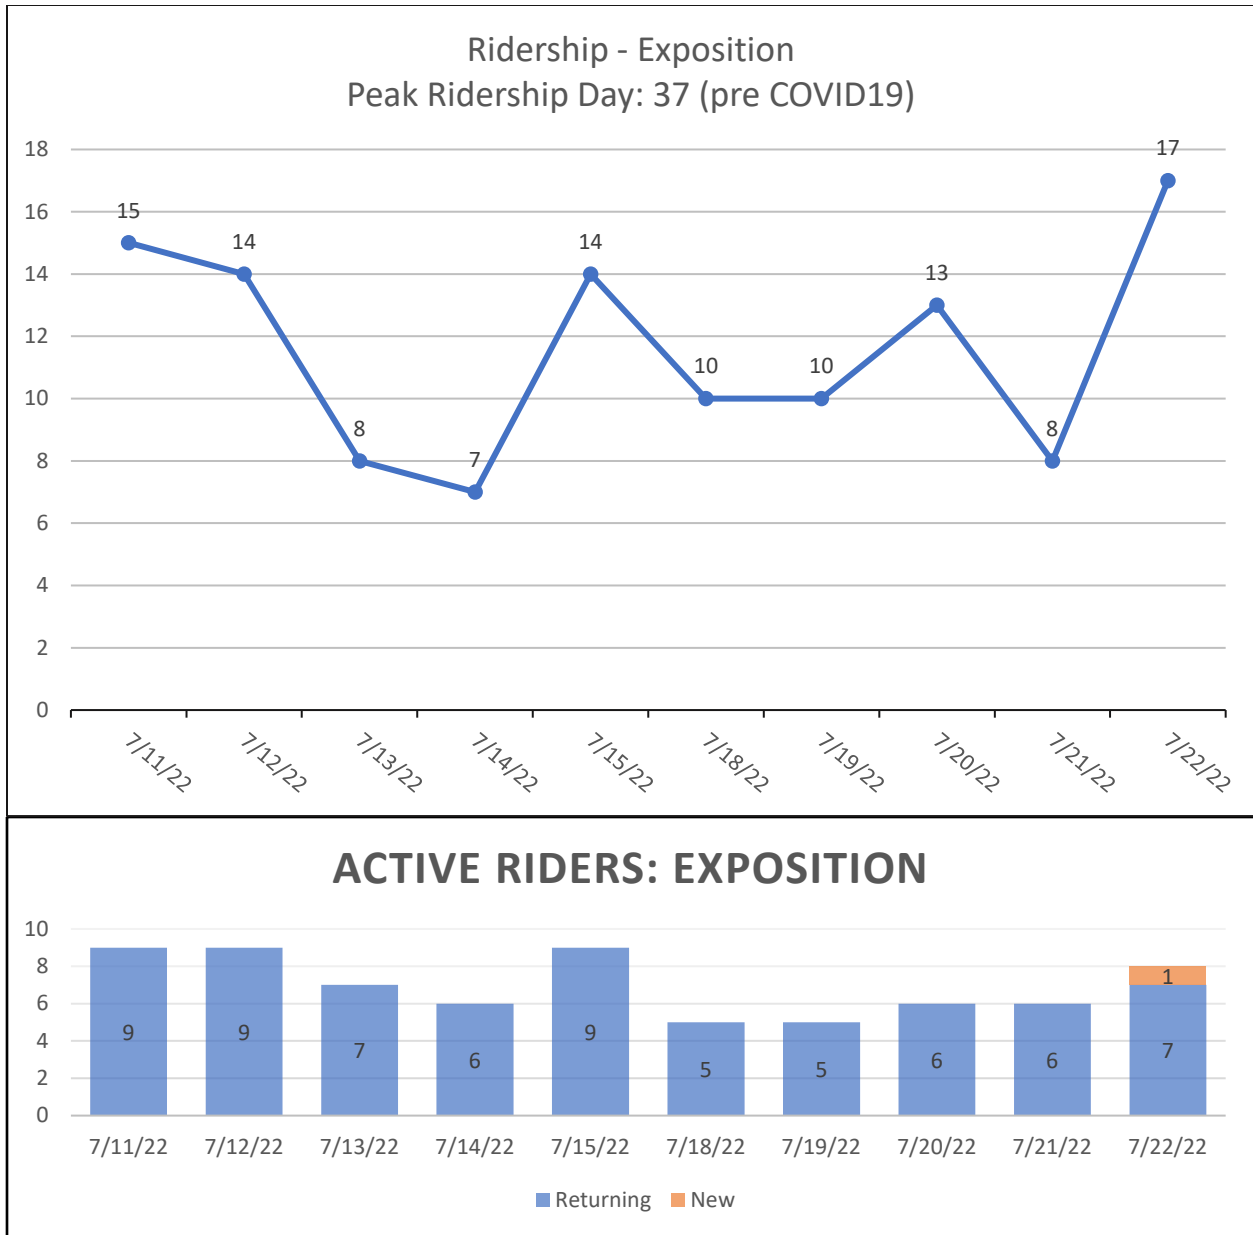

Average Passengers per Hour						
	Highest PPH by Day Since Inception	4 Week Avg	July 2	July 9	July 16	July 23
