Pickup Weekly Ridership Report

June 11, 2022

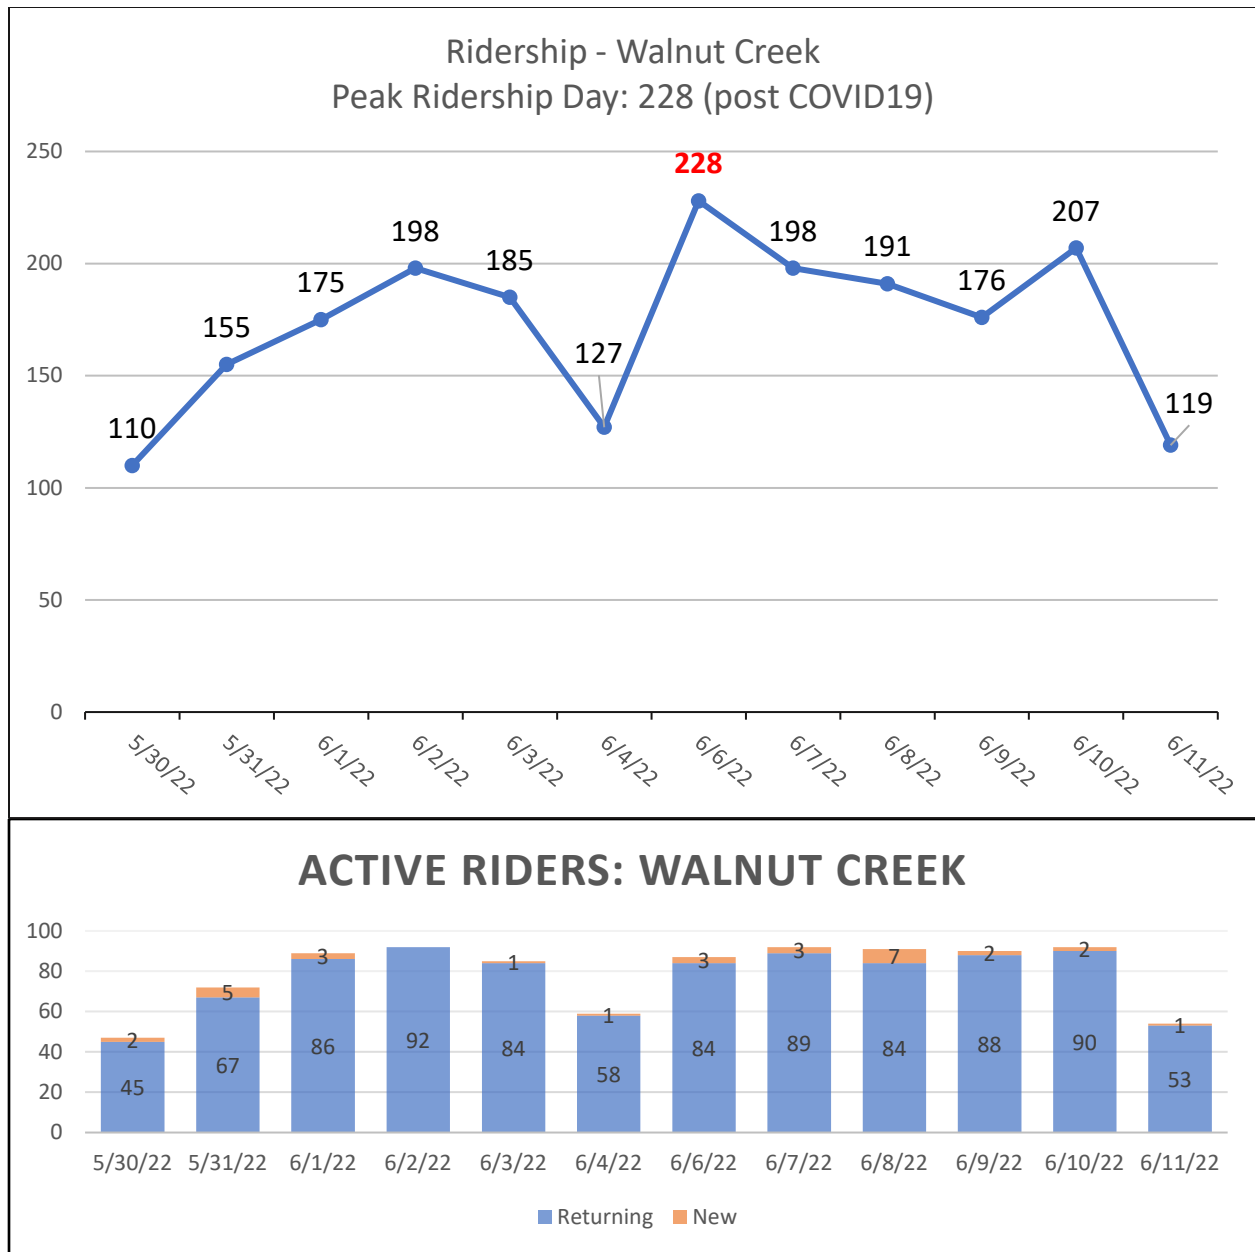

- New High Ridership Reached:
 - Walnut Creek: 228 riders on 6/6/22
 - Lago Vista: 80 riders on 6/6/22
 - North Oak Hill: 52 riders on 6/9/22
- We have challenges keeping up with demand - as gas prices increase, demand increases.
 - Availability of drivers and vehicles is a major contributor to the issues in trying to make our goal of picking customers up with 15 minutes. Sourcing new Pickup vehicles and hiring additional drivers are our primary challenges in hitting our on-time performance goals.
