

Monthly report Parks and Aviation- May

Restroom is completed and in use at Sunset Park- We are looking into getting time locks on them.

The City pool opened May 28th to a very successful Memorial Day weekend. We offer open swim time, water aerobics and are home to the Lago Vista swim team which has more than 50 participants.

Aaron Smith earned his Eagle Scout badge by completing a project at Sunset Park. He built a trail map sign and placed mile markers on trail every $\frac{1}{4}$ of a mile.

Playground for Sunset Park shipping date was set for May 20th- but has been delayed .

KLVB and the Parks department purchased and planted trees and landscaping for 4 City parks .3 maple trees were planted at Veteran's park and should add some beautiful color to the park.

The department attended a wrap up meeting for the super successful LagoFest. And came up with a plan to make it even better next year.

We currently have all the tie down spaces at The Rusty Allen Airport leased .
