Police Department Total “Good” Emails Received

All servers and internet service have been available for 99.9% of the month.

NOTES:

IT Has been working with the Parks Director to configure and install a camera system at the refueling station at the airport. We have been approved to use the .gov extension to our website and email by CISA. This is an extra layer of security for our citizens to let them know they are accessing an official government domain.

There were 128 help desk tickets created this month; this includes all Utility Estimate requests.
