## Are You Prepared in the Event of a Wildfire?

*As part of Wildfire Preparedness Day, Northshore Travis Firewise will host a demonstration of a wildfire risk assessment.*

**Saturday May 7, 2022**

**9 a.m.**

**7320 Quiet Brook, Lago Vista (The Hollows)**

Travis County is the highest wildfire risk area in Texas and it's not a matter of if we'll face a fire incident, it's a matter of when. Homeowners must learn how to protect their homes and loved ones.

The risk assessment is a tool which can be used to judge how a property will survive a wildfire. The assessment looks at tree spacing, roofs and gutters, screening, flammable material and more.

## Northshore Travis Firewise Celebrates 10th Year of Certification

Northshore Travis Firewise has received certification as a Firewise community for the 10th year. Firewise is a group dedicated to educating the community about how to protect their homes and loved ones from the risk of wildfire. Travis County is most at risk in Texas and listed 5th in the country.

Tips to protect your home are available on their Facebook page, [www.facebook.com/northshorefirewise](https://www.facebook.com/northshorefirewise).

## May is Motorcycle Safety Awareness Month

With warmer weather, it's time to remind everyone to be on the alert and to share the road with motorcyclists.

Riders who have been cooped up all winter are excited to be out on the road again, but that shouldn't stop them from using caution.

Both motorcyclists and motorists need to be aware of their surroundings. Checking blind spots, mirrors, and using turn signals are necessary when changing lanes and when passing.

Distracted driving has been on the rise, too. Distractions during driving could mean the difference between seeing a motorcyclist or not when preparing to change lanes. Don't let one text change anyone's life forever!

Riders need to take precautions as well. Take a defensive driving course, wear protective gear, and keep your bike in its best working condition. Also, be aware of any road hazards and dangerous weather conditions.

Most of all, enjoy your ride and make it home again! For more information visit [www.nhtsa.gov/safety/motorcycles](http://www.nhtsa.gov/safety/motorcycles).

## Memorial Day - Monday, May 30, 2022
