City of Lago Vista Welcomes Tracie Hlavinka as New City Manager

Tracie Hlavinka will serve as the City of Lago Vista's new City Manager following the departure of Joshua W. Ray who accepted a position with the City of Shelbyville, Tennessee in January of this year.

Hlavinka has more than twenty years of public sector experience. She began her career with the City of DeSoto, Texas serving a community of approximately 57,000 residents with 350 employees and an annual operating budget of \$82M. Hlavinka worked briefly on the financial side of City operations before becoming the City's Community Initiatives Manager. Hlavinka held progressively responsible roles within the organization and ultimately promoted to Deputy City Manager. As Deputy City Manager, she directed staff activities and operations for Mu-

nicipal Court, Information Technology, Economic Development, Development Services, Environmental Health, and the Action Center.

In 2019, Clarkdale, Arizona City Council selected Hlavinka to serve as Town Manager. Among many accomplishments, Hlavinka lowered the tax levy two (2) years in a row, developed the first Capital Improvement Plan (CIP) for the Town, led strategic planning and creation of an annual Town Council Work Plan, and directed/participated in the 10-year update of Clarkdale's General Plan.

Hlavinka earned a Bachelor's Degree in Psychology from the University of Texas at Arlington and holds a Master's Degree in Human Resources and Business from Amberton University in Garland, Texas.

Lago Vista City Council chose Hlavinka from a group of more than 35 candidates from 14 different states. The City contracted with public sector recruitment specialists, Strategic Government Resources of Keller, Texas for management of the search, interview, and selection process. Hlavinka's anticipated start date as City Manager for Lago Vista is July 14, 2021.

"We are excited to bring on board Ms. Hlavinka as our new City Manager. She brings a vast amount of experience in leadership, customer service, economic development, development services, and city planning," said Mayor Ed Tidwell. "Her attitude, personality, and style will be a great fit for Lago Vista."

"I am excited about the opportunity to lead the City of Lago Vista during a very dynamic time. I look forward to working collaboratively with Council, staff, and the community to provide quality of life for all who live, work, and play in Lago Vista," said Ms. Hlavinka.

Keep Lago Vista Beautiful Recognized as Gold Star Affiliate by Keep Texas Beautiful!

70 Texas Communities Honored for their Exceptional Community Improvement Efforts

Keep Texas Beautiful (KTB), a statewide grassroots environmental and community improvement non-profit organization, recently **named Keep Lago Vista Beautiful a Gold Star Affiliate** - a designation granted to 70 affiliates of KTB's nearly 300 affiliates. In 2004, the organization introduced the concept of Gold Star recognition to reward those communities who sought to go above and beyond the established requirements. In 2020 alone, KTB affiliates engaged 20,917 volunteers who contributed 37,857 hours to collect 1 million pounds of waste and recyclables from Texas roadways, trails, and waterways. Gold Star recognition is the highest membership recognition status any community affiliate can achieve.

Despite the challenges faced during the pandemic, Keep Lago Vista Beautiful volunteers continued to work on projects such as litter clean-up, reduce and recycle, citizen education, and assistance with the winter storm brush and debris collection. Hardly a day goes by when you don't see KLVB volunteers working around town to enhance and beautify our City parks, facilities, and right of ways. CONGRATULATIONS to this generous, hard-working group! Thank you for all you do for Lago Vista!
