**LITTER FACT: One in four Texans admit to littering in the past year.**

**Pitch in to help Keep Lago Vista Beautiful. JOIN THE LAGO LITTER CHALLENGE and adopt a street in your neighborhood.** More than one hundred of our neighbors have already adopted streets. But we still have orphan streets that need some love. If you would like to adopt a street, join the [Facebook Group](#) - **#lagolitterchallenge** - and leave a comment with the street you want to adopt. You may also call and leave a message for Frank Coletta at **210-218-9961**.

**LITTER FACT: If every person in Texas picked up just two pieces of trash every month, our streets and highways would be completely litter free in just one year.**

Most of the litter along Lago Vista streets and roads comes from people intentionally throwing trash out the window. If you see someone littering, note the license number, car description, and location. Report it online at [dontmesswithtexas.org](http://dontmesswithtexas.org). TxDOT compares the information through the Department of Motor Vehicles registration database and when an exact match is located, we send the litterer a Don't Mess with Texas litterbag along with a letter kindly reminding them to keep their trash off of our roads.

**Keep Lago Vista Beautiful is a volunteer organization dedicated to enhancing and preserving the natural Hill Country charm of Lago Vista through progressive community projects.**

Anyone wishing to join KLVB or volunteer to participate in a workday, please contact Denise Sellers, President, at **512-467-4582** or [sellersdk@gmail.com](mailto:sellersdk@gmail.com).
