Captain Paul Chrane joined the department in late November. Captain Chrane brings over 18 years of progressively responsible law enforcement experience to the department including most recently serving as the Technology Director and Project Manager for the Burnet County Sheriff's Office.

Nicole Baker joined the department in early December as a dispatcher. Nicole has a variety of administrative experience and we are excited for her future with her department!

We have more new faces slated to join us later in December and January. All of the new members of our team are excited to be here and looking forward to getting to know and working for our citizens.

If you are interested in visiting with members of our team, our monthly 'Coffee with the Chief' meeting is held on the second Wednesday of every month! This is a no presentations, no speeches, no agenda event that provides an opportunity for members of the department and our citizens to interact in an informal setting. Come talk about whatever is on your mind or just spend some time visiting. Details on date, time, and location of these events can be found on our Facebook page [www.facebook.com/lagovistapd](http://www.facebook.com/lagovistapd). Can't wait to see you there!
