## City of Lago Vista Congratulates

### Patrol Sergeants Carey and Mercado and Executive Assistant Street

It has been an exciting last couple of months for our team at the Police Department! In addition to lots of new faces filling vacant positions, we have celebrated some promotions! Officers Brandon Carey and Roberto Mercado were both promoted to the rank of Patrol Sergeant on March 30th! This was the culmination of a very rigorous and competitive promotional process to select these two outstanding individuals as the next leaders for our department and we could not be more excited for them! Also during the month of March, Crystal Rodriguez-Street, who had previously served as our department's dispatch supervisor was promoted to fill our vacant Executive Assistant position at the Police Department. She is continuing to supervise dispatch as well while we go through the process of selecting a new supervisor for that department. These are just some of the very exciting things happening within your Police Department!

## UPDATE TO THE LAGO VISTA SIGN REGULATIONS

Upon much review, the Comprehensive Amendment to the Lago Vista Sign Regulations has been completed. Although there will be no startling impact on the appearance of signs within the community, the process has been improved along the lines of the recommendations in the current comprehensive plan. Perhaps more importantly, a number of legal considerations have been addressed and we are now much more secure in the City's ability to strictly enforce these regulations if challenged.

## New Annual Sewer Rate takes affect on May Utility Bill

Your actual water usage during the months of November 2022 - February 2023 are reviewed to determine your sewer rate for your monthly bill. The lowest two months of metered water usage of those four are then averaged to determine your new sewer rate.

These months are deliberately chosen because they tend to have the lowest consumption for most customers. The end result is that those who are conservative in their usage will pay less for sewer services. Those who use more water and place a greater burden on the treatment facilities will pay more.

**New winter averaging rates will be calculated in April of 2023 and due on your bills beginning in May 2023.**

If you have any questions regarding how your winter averaging rate is calculated, please feel free to call our utility line at City Hall at 512.267.1155, option 4 Monday-Thursday from 7am - 6pm.

## Northshore Travis Firewise Wants You In The Know
