

December 2023 Monthly Report

Parks & Recreation, Airport, and Golf Course Maintenance

Parks & Recreation:

- The Christmas tree lighting event was highly successful.
- Staff have conducted interviews for the Park Ambassador position and intend to fill the role after the first of the year.

Airport:

- The fuel system at the airport has been tested and verified to be in proper working order.
- The beacon light at the airport has been successfully repaired and is now functioning correctly.
- Additional tie-down spaces have been leased by the airport staff.
- Runway lights at the airport have been replaced and repaired.

Golf Course Maintenance:

- Staff at GCM have effectively addressed 2 leaks and conducted maintenance to clean out heads.
