

**CITY OF LAGO VISTA, TEXAS**

**RESOLUTION 24-2063**

**A RESOLUTION BY THE CITY COUNCIL OF THE CITY OF LAGO VISTA,  
TEXAS APPROVING AND EXITING STAGE 2 WATERING RESTRICTIONS,  
AND ENTERING STAGE 1 RESTRICTIONS IN LINE WITH THE CITY'S  
DROUGHT CONTINGENCY PLAN**

**WHEREAS**, the Lower Colorado River Authority ("LCRA") as the controlling entity for the City of Lago Vista's ("City") water supply, has adopted a Water Conservation and Drought Contingency Plan ("LCRA Plan"); under such LCRA Plan, any entity who receives water from LCRA must adopt and adhere to the same terms and conditions for their own Water Conservation and Drought Contingency Plan; and

**WHEREAS**, due to recent rainfall totals, the combined storage in Lakes Travis and Buchanan has risen above 1,000,000 acre-feet, and LCRA's firm water customers are required to implement a landscape irrigation watering schedule of no more than twice per week with this level of storage; and

**WHEREAS**, with combined storage above 1,000,000 acre-ft, LCRA will follow the LCRA Plan and require that its firm water customers implement the applicable drought response measures in their adopted drought contingency plans; and

**WHEREAS**, as a firm water customer of LCRA, the City has adopted a similar Water Conservation and Drought Contingency Plan ("City Plan") that requires conservation measures to be implemented, the City will implement those same water conservation measures; and

**WHEREAS**, under both the LCRA and the City Plan, the City is allowed to exit Stage 2 and return to Stage 1 watering restrictions; and

**WHEREAS**, Stage 1 water conservation measures limit watering to twice per a week which are implemented under the City's Plan when combined storage of Lakes Travis and Buchanan exceed 900,000 acre-feet and Stage 1 and the water conservation measures limiting watering to two times a week will remain in effect for so long as the combined storage of Lakes Travis and Buchanan is under 1.4 million acre-feet; and

**WHERAS**, as of June 3<sup>rd</sup>, 2024, the combined lake levels are at 1,100,000 acre-ft, and the LCRA allows firm water customers to exit Stage 2 and enter into Stage 1 restrictions.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF LAGO VISTA, TEXAS:**

**THAT**, the City Council of the City of Lago Vista, Texas, pursuant to Section 13.1105(a), City's Code of Ordinances, hereby enters into Stage 2 watering restrictions and this restriction will be in effect immediately upon passage.

**FINALLY, THAT**, the City Council authorizes the City Manager to issue any public notification as the City Manager believes warranted as set forth in Section 13.1105(b), City's Code of Ordinances.

AND, IT IS SO RESOLVED.

PASSED AND APPROVED 20<sup>th</sup> day of June, 2024
