## KLVB

"The Traveler" is a new sculpture installed at Bowden Point by Bryan J. Burke of Red Glass Ironworks. Bryan writes that he loves to re-purpose found objects. "Knowing this was to be a monarch butterfly I knew it had to look realistic and of course mix in with my style of industrialism and natural elements. The stone is from Lake Travis, the flower gear and pendulum bearing came from my Uncle's farm in Dodge City, KS. It is common for me to hold onto parts for years until they find their forever home in a sculpture. I hope y'all enjoy it!" The art was donated by Red Glass Ironworks and Lantz's Plumbing.  
Keep Lago Vista Beautiful hopes you enjoy it as well!
