5. Notes: September brought us very one week of fall, however the rest was hot and dry.

Rounds and Revenue continue to trend up for the year and September was up from last year Once again in Revenue and Rounds. The Back 9 course condition is now on par with most other Municipal Courses. The Front 9 greens now that #5 & #6 have been re-sodded continue to improve. #7 green continues to get better. Once we're able to come off the temp, I plan to e-mail blast all Golfer's in our data base regarding our improved conditions.

Thank You,
