Introduction

October marked a significant milestone for the Police Department as we fully transitioned to the new radio system that was approved for purchase late last year. Communications quality on the new system is significantly improved. We also now have the ability to interoperate with surrounding agencies that we had no interoperability with before, including, but not limited to, the Travis County Sheriff's Office, Travis County ESD 1, Jonestown Police Department, Cedar Park Police Department, and other area agencies.

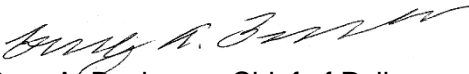

We were thrilled to partner with our community this month for a National Night Out block party in the City Hall parking lot! The event was well attended and received by the members of the public who attended. We look forward to continuing this event and other opportunities to engage with our community in the future.

The department was also thrilled to welcome three new members to our team during this month. Officer David Lowry joins us from the Commanche Police Department, where he has over four years of experience, most recently working in their criminal investigations division. Officer Dorthy Cole also joins us with over two years of experience as a patrol officer with the Commanche Police Department. Finally, Officer Pedro "Pete" Cantu has joined us as a School Resource Officer (SRO) assigned to the Lago Vista Middle School. Officer Cantu has previous SRO experience from other departments, including the Killeen ISD Police Department.

This month also marked Sergeant Jerome Brooks's retirement from our department. Sergeant Brooks had a significant career in law enforcement, with over 38 years, including over 10 in service to the citizens of Lago Vista. We are grateful for his service and wish him well in his retirement.

Also, during this month, we began implementing a new software platform, PowerEngage. Once fully implemented, among other capabilities, the platform will connect with our Computer Aided Dispatch system to send automated citizen satisfaction surveys after a citizen contacts the department for assistance. We are excited about the possibilities this system offers.

Finally, Chief Boshears attended the International Association of Chiefs of Police Conference. Chief Boshears is a member of the IACP's Smaller Department Section and Community Policing Committee and participated in engaging meetings with these groups during the conference, attending educational workshops and networking with other law enforcement executives and vendors
