**April 23, 2024**

### **Lago Vista Police Department Captain Receives Law Enforcement Command Officer Program (LECOP) Award**

\*\*\*\*\*

**Lago Vista, Texas**, Lago Vista Police Department Captain Robert “Paul” Chrane was recently awarded the Law Enforcement Command Officer Program (LECOP) Award from the Texas Police Chief’s Association (TPCA) for his successful completion of the LECOP training program. The LECOP program from TPCA is designed to encourage and provide comprehensive leadership development to Texas Law Enforcement and to recognize those individuals who work hard to prepare themselves for leadership roles in law enforcement. The program features an extensive curriculum requiring the completion of 10 continuing education courses focused on a variety of law enforcement management and leadership topics.

Offering his thoughts on the program, Captain Chrane stated, “I would like to extend my heartfelt gratitude to our community, city administration, and department for sponsoring my participation in TPCA’s Law Enforcement Command Officer Program. It was a true privilege to represent our department in such a dynamic and enriching environment. Over the course of more than 250 hours of intensive training, I had the opportunity to engage with hundreds of fellow law enforcement professionals across the state while covering nearly a dozen critical topics. Each session offered valuable insights that have enhanced my professional development and broadened my perspective as a law enforcement leader. This experience not only sharpened my leadership skills but also deepened my commitment to our mission and the communities we serve. I am especially thankful for the department’s investment in my growth and the support that made this opportunity possible. Thank you once again for your trust and continued support. Thank you to TPCA and the LECOP team for an impactful and professional training experience. The practical, hands-on approach deepened my leadership skills and prepared me to lead with greater confidence and professionalism.”

Chief of Police Gary Boshears added, “Our department is very proud of Captain Chrane and the commitment he made to completing this program. His dedication to leadership development and commitment to being a lifelong learner is an example for every member of our department.”

Captain Chrane is the 133<sup>rd</sup> Texas Peace Officer to be recognized with the LECOP Award since the program was founded. Captain Chrane joins Detective Sergeant David Wilson as members of the Lago Vista Police Department who have received the LECOP Award.
