Charitable Contributions and Nonprofit Funding Request Application Questionnaire

The City strongly requests that all answers be typed.
Submission of a completed questionnaire is required for application consideration.

1. What is the agency's mission?

LTMT is dedicated to providing high-quality productions to entertain our community, an enriching and meaningful experience for cast and crew members, and an unparalleled growth opportunity for youth theatre students.

2. What are the goals of the program for which you are requesting funding?

1. Bring high-quality musical theatre to Lago Vista.
2. Create opportunities for locals to grow in the arts and perform.
3. Develop youth confidence and connection through theatre.

3. How will you know you met these goals by the end of the funding year?

We measure success by attendance, feedback, and returning participants. Oliver! drew strong crowds and positive responses.

Cast and crew found the experience meaningful, and high youth retention reflects growth in confidence and connection.

4. Describe the impact of services on the community

LTMT brings high-quality musical theatre to Lago Vista, offering locals a chance to perform, volunteer, and connect—without leaving the community.

We provide youth programs, hands-on opportunities for all ages, and partner with LVHS tech students for real-world experience.

By bringing Broadway to the north shore, we create joy and strengthen community ties.

5. If the request for funding for the proposed fiscal year is an increase from the previous fiscal year, please justify such increase:

We are requesting additional funding to help cover the rising hard costs of producing high-quality musicals—licensing fees, live musicians, venue rental, costumes, sets, and more. As the cost of living increases, it's becoming harder for many in our community to afford tickets. Additional grant support will allow us to keep ticket prices accessible, ensuring more families can enjoy and participate in local theatre. Your investment helps us continue enriching the community through the arts while removing financial barriers for those we serve.

6. Provide information on the overall financial position of the organization.

Include: annual budget, sources of funding (e.g., fund raisers, charitable donations)
