

Equipment Request Form

Department: Sewer Services

Budget Account Number: 30-570-9720

Requested by: Ernesto Rios

Name of Equipment: Pick up Broom

Cost: \$9,000

What the Equipment does: Sweeps the road

New or Replacement Equipment: New

If New Why We Need it: To assist the crews during cleanup of job

Sites and make them more efficient with time management

If New How it Will Help the Department: _____

During excavations there is a large number of debris in the ground and the
cleanup takes a large amount of time as crews must sweep the ground by hand
with brooms. In some areas using a water truck is not possible due to being a
residential area

If Replacement Why it needs to be Replaced: _____

_____ N/A _____

If Replacement Amount of Usage our Current Equipment has (miles, hours, etc.):

_____ N/A _____

Reason for needing the New Equipment: To ensure the crews do not spend
More time that is needed at a job site, especially during clean up.

Extra Fees/Costs involved (gas, insurance etc.): Unknown

If submitting more than one request please prioritize

Required Signatures:

Department Head: _____

Finance Director: _____

City Manager: _____

1	TBD	2025 JOHN DEERE bp72	0314KV BP72C 72" Pick-Up Broom

New BP72 Broom

Brooms

Like all Worksite ProT attachments, these pick-up brooms are optimized to work with John Deere Skid Steers and Compact Track Loaders, 244J Loader, and 110TLB. They're compatible with many competitive models, too.

Brooms feature a 25-inch-diameter brush with 50/50 poly wire brush segments and a baffle to hold debris in bucket.

The BP72 has 44 wafers.

Key Features

- Bolt adjustment for infinite brush height control
- Optional gutter brush has adjustable flow
- Two caster wheels standard

Brush Diameter 25 in. (635 mm)

Core Diameter 6.38 in. (162 mm)

Number of Wafers 44
